

FOR IMMEDIATE RELEASE

## Technic Awarded ISO 9001:2015 Recertification

Cranston, R.I. USA – Technic proudly announces the achievement of obtaining its ISO 9001:2015 recertification, a result of a rigorous 6-day audit by the International Standards Organization (ISO). This certification reflects Technic's unwavering commitment to the highest level Quality Management Systems (QMS).

The certification, spanning various operational aspects across multiple locations, underscores Technic's dedication to excellence. The ISO 9001:2015 certificate, centered at Technic Headquarters on 47 Molter Street, Cranston, RI, serves as the umbrella for the company's diverse plants, each with its specific scope:

**Technic Global Headquarters** – 47 Molter Street, Cranston RI  
Administration, Customer Service, Accounting, IT.

**Technic Labs and Manufacturing** - 1 Spectacle Street, Cranston, RI  
Design, development, and Manufacturing of specialty chemicals and precious metal products for the electronics, decorative, and general industrial markets.

**Technic Imaging** - 41 Century Drive, Woonsocket, RI  
Manufacturing and shipping of solder mask and etch resist materials for various electronic end-use markets.

**Technic SEC Products Manufacturing** - 601 Park East Drive Woonsocket, RI  
Manufacturing of photoresist strippers, metal etchants, and surface cleaners for the semiconductor market.

**Technic** - 860 Wellington Avenue Cranston, RI  
Manufacturing and packaging of dry cleaners, electroplating additives, and anti-tarnish products.

The ISO 9001:2015 certification for Technic is valid through 2027. Technic remains committed to ISO's QMS specifications, ensuring high-quality products and services through activities like user satisfaction assessments and internal audits.

*"The ISO 9001:2015 certification reaffirms Technic's unwavering commitment to delivering high-quality products and services. It is a reflection of our dedication to maintaining the highest standards in quality management."*

- **Jenny Evans**, Corporate Quality Director

Looking forward, Technic aims to expand the ISO 9001:2015 umbrella to include the Technic Anaheim, CA location under its umbrella registration. The company continues its legacy of delivering excellence in products and services, consistently surpassing customer expectations.
