

Dipping & Anode Baskets, Bags, Hooks and Dummy Cathodes

Polypropylene Dipping Baskets

Technic dipping baskets are available in solid polypropylene, polypropylene with a T316/40 mesh stainless steel lining and all stainless steel.

Solid polypropylene baskets may be purchased with 1/8" or 3/16" perforations with your choice of stainless steel or polypropylene swing handles.

Stainless Steel Dipping Baskets

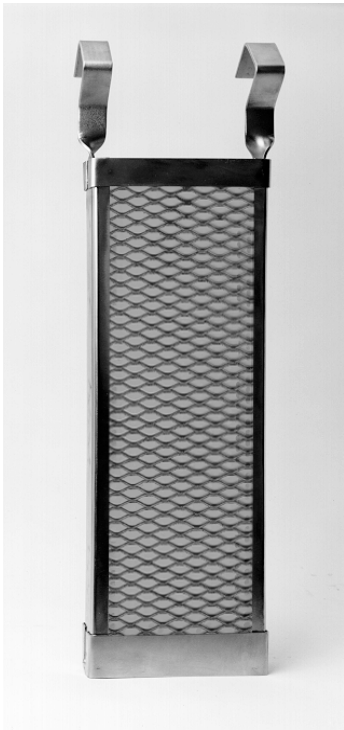

Technic stainless steel baskets are constructed with 1/4" stainless steel support rods for added strength. Optional 5/16" support rods are available on 12"x12" baskets. Mesh sizes of #4, #6, #8, are readily available with other sizes upon request.

Heavy Duty Dryer Basket

Technic offers a complete line of dryer baskets in various sizes and materials to fit all major manufacturers' spin dryers. Call for quote.
