Technic Engineered Powders Division Appoints Brendan Benoit Product Specialist

Woonsocket, RI USA - Technic Engineered Powders Division is pleased to announce the appointment of Brendan Benoit as Product Specialist. Mr. Benoit's responsibilities include sales and marketing, assisting with quality improvements, and research and development efforts.

Mr. Benoit graduated from the Pennsylvania State University with a degree in chemical engineering. His undergraduate research focused on the synthesis of silver nanoparticles in PPG-HO mixture using gamma radiation. Prior to his start at Technic, he worked as a process improvement and quality engineer at Admiral Packaging, Inc in Providence, RI. There he was involved in new product development, quality assurance, process optimization, and implementing regulatory programs. He has also held an internship at Air Liquide in the business development department, acquiring marketing and sales experience.

About Technic

Technic Inc. is a Rhode Island based, privately held corporation with over 950 employees worldwide. For over 70 years, Technic has been a global supplier of specialty chemicals, custom finishing equipment, engineered powders, and analytical control systems to the electronic component, printed circuit board, semiconductor, industrial finishing and decorative industries. Technic is also a major supplier of engineered metal powders to the solar industry.
